

# Make my Boo Boo Better Now!

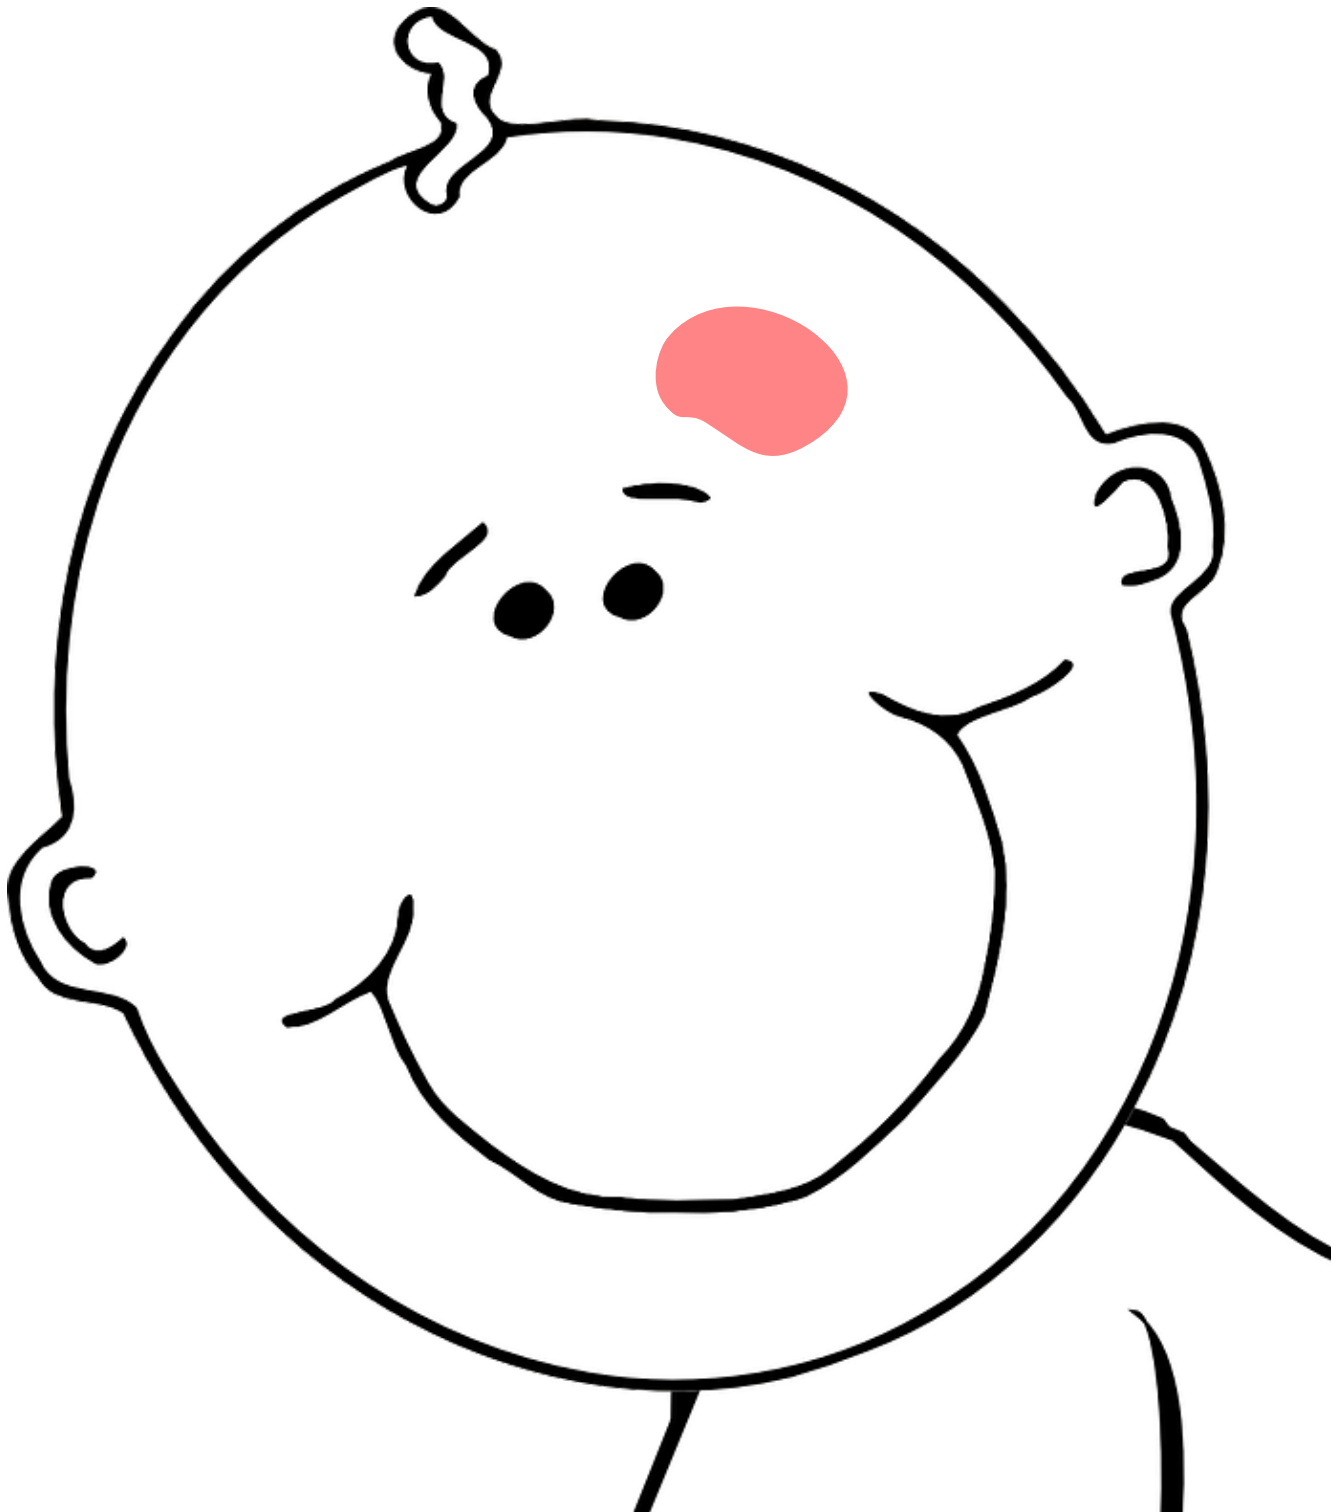

I KNOW MY BODY PARTS!

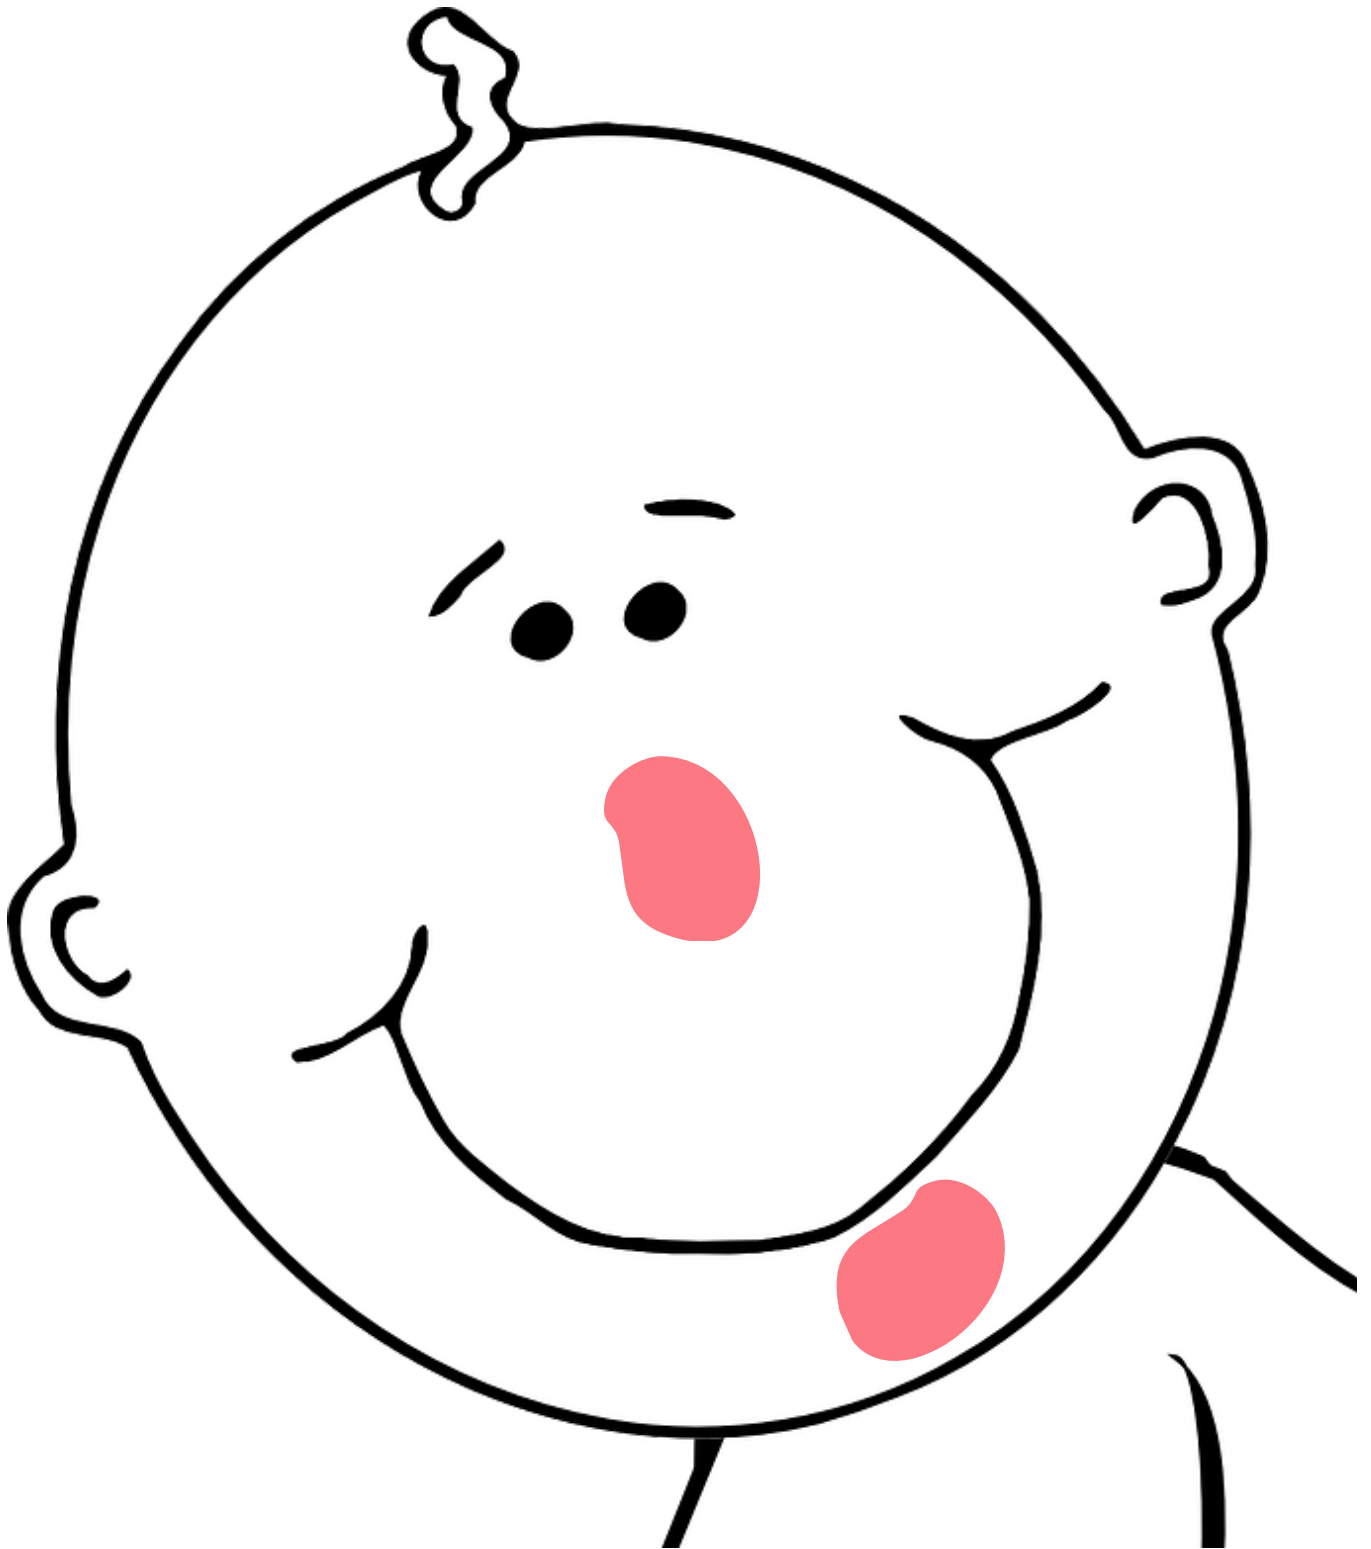

Little Johnny fell and got  
bruises all over his body.  
Please cut and put these  
bandages over his bruises,  
so little Johnny can feel  
better again!

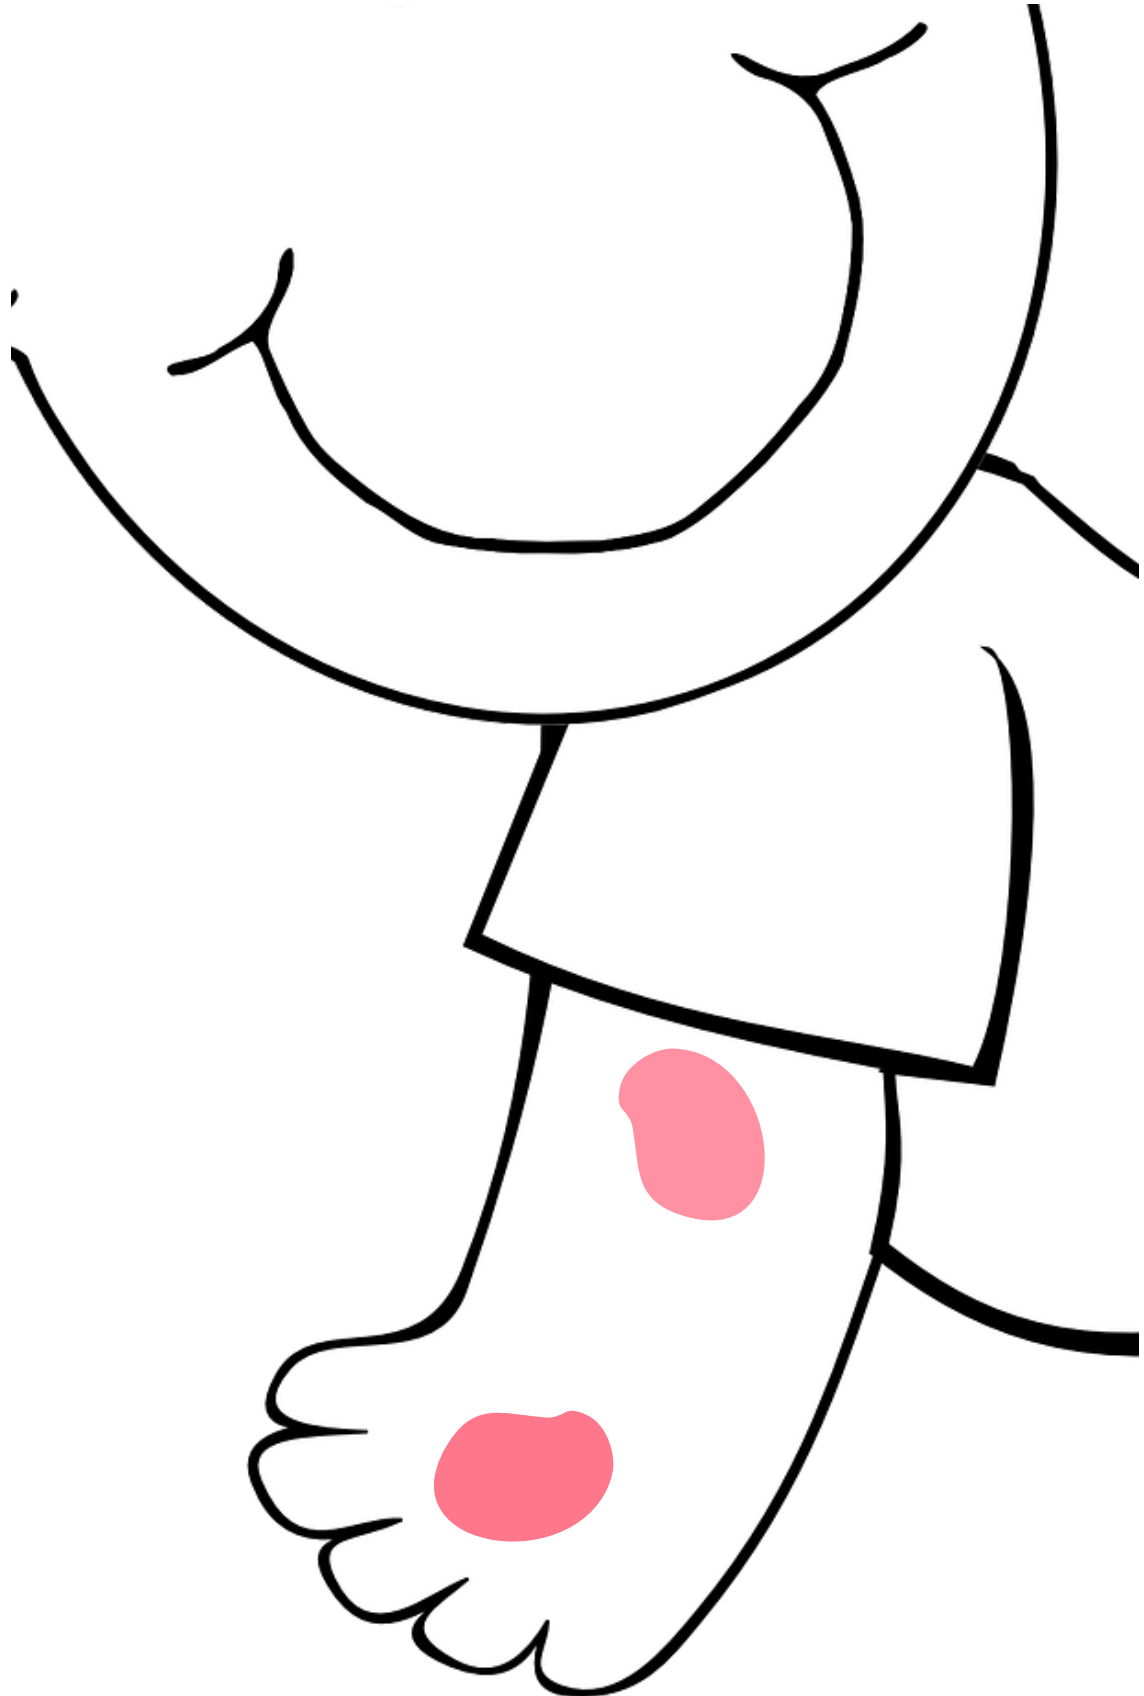

Put one bandage on his  
forehead, right above his eye

Put one on his chin, and one  
over his nose.

Put one on his arm, and  
one on his hand.

Put one on his knee, and  
another on his toe.

**Thankyou for your help!!  
Johnny is all better now!**
